A HAPPY NEW YEAR!

VISITORS

We were glad to welcome home all our people for the Christmas celebrations, Miss Vincent, on the staff at Reelands Mission, always makes a welcome appearance and we were glad to see Sister Sadie Corner from "Hillcrest", Perth. (One night two "old men" put in an appearance at the store and other places and made people scatter in all directions. We are always glad to see them no matter what sort of an appearance they make!) Other visitors included Miss Lorraine Atkinson, working at Native Affairs Office in Perth; Maisie Graham and Ruby Manning, attending Bunbury High School; Howard Thomas, attending Perth Boys' School; Bertha Thomas, employed at McDonald House; and Ben Mason, employed at Mallochs, who brought Eddie Wilkes with him on his motor bike.

TROPHY WINNERS

Of course the main trophy was that donated by Sergt. Anderson of Norseman - a beautifully engraved leather belt. It was the envy of all as it lay in the show case in the store. The winner of this ~~was~~ was Tommy Simpson (3 cheers for Tommy) but he had to work hard for it as he and Eddy Wilkes from Perth were equal in points at the end of the day on Sports Day, so they ran a special 120 yards race to decide the winner. What excitement as they ran that race.

The Golf trophy was awarded to Mr. Jackson, the tennis trophies to Miss Sadie Corner, and

A NEW REGIME AT COSMO

Cosmo Newberry is no longer a Government station, but has been handed over by Mr. Middleton to the United Aborigines Mission and is now Cosmo Newberry Mission. Mr. and Mrs. Schenk were asked to take over until Mr. and Mrs. Lupton arrive in February. Mr. and Mrs. Schenk who pioneered your own mission here at Mt. Margaret, and whom many of you can remember arriving here in the early days in the old spring cart, have gladly stepped in and are inaugurating the work at Cosmo. Mr. Jack Braeside has willingly consented to stay for a time to help. He is an "old boy" from Roelands and has been on the Government staff at Cosmo Newberry for the past year. We pray that God may bless this new Mission and many souls come to know Jesus Christ as Saviour at this place also.

SYMPATHY

We extend our sympathy to the McGrath family in the death of their father, Bricky McGrath. It was nice to know that the whole family were able to be in Perth at the time.

DEATH We are sorry to have to report the death of Thubbagoola, mother of Elsie, Ridley and David, Jill and Judith Greenwood. To them we extend our deepest sympathy.

.....
A FLYING VISIT from Mr. and Mrs. Schenk also Mr. Schenk's brother and his wife, (Mr. and Mrs. F. Schenk) from Ballarat, was very welcome. They had been visiting Esperance for a brief holiday and wanted to come up here before going back East. It was a great joy to them to see Mt. Margaret after having taken a prayerful and practical interest in the work for so many years. Those of you who went on the Minstrel trip will remember their hospitality to us in Ballarat. Mr. Schenk greatly enjoyed a game of golf (no course at Esperance) and his brother had a never to be forgotten kangaroo hunt with the boys but everyone here was glad to see them all.

.....
Two enjoyable social events were held during the month.

Y.P. SOCIAL. This was held at the "ilnes" place and as usual, everyone had a good time and a good supper.

COMING OF AGE PARTY Even more important was the celebration of Miss May Miller's 21st birthday. The Schenk party were delighted that it came off during their visit. Miss Miller received some lovely gifts including a watch from her friends in Perth, and several congratulatory telegrams. We wish her every success and the Lord's guidance and blessing in the years ahead.

WEDDINGS.

Edwards - Wingrove.

The marriage was quietly celebrated during the month of Pauline Wingrove and Tommy Edwards. We wish them every happiness.

Blake - Anderson.

A pretty wedding this month was that of Margaret Anderson and Desmond Blake. The bride, who in the absence of her father was given away by Mr. Jackson, wore a full length gown of moss crepe and an embroidered veil held by a coronet of orange blossom. She was attended by Maureen Walker, who also looked lovely in a full length frock of pink lace. The best man was Laurie Nelson. An evening was held in honour of the bride and groom, and a happy time was enjoyed by all. Mr. and Mrs. Blake are at present working at Jessops Wells

The Car Buying Season must be on! Both Jerry Prince and Darbin Murphy rolled up in buses they had bought.

Mr. Snowy Barnes also bought a very nice utility with a V8 engine and is quite pleased with his buy. By the way, it was nice to see him and the family. Another buyer will be Mr. Milnes who is selling his Prefect to Mr. Byrne so that he can get something heavier, and will be going to Perth this week. Mr. Mack surprised us all too, by rolling up in a Dodge sedan which he has the option of buying. The family looked well after their holidays. They are now on the way back to Warbos.

Last week our C.E. had an exchange meeting with another society and exchanged testimonies. Our young people have agreed to our publishing one of theirs in each News Notes. Anyone else who would like to have their testimony printed, just let us know and we'll do it.

MY TESTIMONY

by Isobel Cable.

I'm not sure when I received Christ as my Saviour, but as I was only young, but I know He did come into my heart. But as I grew up Christ was left out of most things and I grew sick of staying here at the Mission. A couple of years ago, I went to Perth to work, but I did not like city life so left after a few months and got a position on a sheep station. The Lord was left out of everything but I read the Bible when I was scared. The Devil really seemed to hold on to me. My employers have gone to England for four months, and I came back to the Mission while waiting for another job. I then wanted to come to the Lord again, but I had to confess my sins to Christ. Then and there I made up my mind to come back to Christ again, and with his help I mean to go on for the Lord. The Lord has given me peace of mind and joys which I never could get myself. The pleasures of this world only last a few hours or minutes, but Jesus satisfies our souls each hour and day. "In all these things we are more than conquerors through Him that loved us." (Romans 8:27)

The School which some of you men helped to put up 25 years ago, is having a "face lift". The weather boards on the outside are being taken off, and new ones put on. By Anniversary time it should be finished for you all to see. The back room is also being extended.

PERSONAL NOTES.

Isobel Cable is returning to Pinnacles next week, but we expect to see her for the Anniversary.

In a letter to the Y.P. Mrs. Shinkfield told us that Mr. Shinkfield was able to get across to Melbourne during the Teachers' College vacation, and they were able to have a week's holiday together with their family. It will

Darbin and Isobel are here also.

Marriage STUBBS - JOHNSTON

The marriage was celebrated in Kalgoorli this month of Mr. Mervyn Stubbs and Mill Laurel Johnston. We believe that Laurel looked very smart in a blue suit and matching hat.

.....

SISTER EADIE C.E. SHIELD

Once again, we must congratulate Mrs. Jackson and the Junior C.E. for winning the shield. Two years ago, they won it, and now it is again hanging in the Church. Howard Thomas was to have received it on behalf of the J.C.E. at the rally in Perth when it was presented, but was too shy (!!!) so Miss Corner represented Mt. Margaret instead.

.....

Sister Corner will be returning to Melbourne in November, to do her Infant Welfare course. Also she is to be bridesmaid to a friend of hers over there who will be married about that time.

.....

Bertha Thomas is now working on the domestic staff at the Bethesda Hospital, and she and Sadie are rooming together.

.....

Mr. and Mrs. Milnes were in Perth recently, when they picked up their Zephy car. They did enjoy every minute of the time they spent with our young people down there, and were very sorry that they missed seeing Phyllis Polsk. Also on a visit to Bunbury they had a lovely time with Matron Murray, Miss Vincent, and our four girls

Bore Sunk for Water

An important happening during the month was the sinking of a bore here at Mt. Margaret for water, by Messrs. Arnold and Airdridge. It is about a quarter of a mile down the creek from the reservoir, and proved to be a very good one, yielding 3,500 gallons per day. As yet it is not connected up.

.....
Quite a few of our girls and boys are spending time in Leonora Hospital having treatment for their ears. The boys were there last week and this time Harriet, Jean, Ruby Grey, and Myrtle are there.

.....
MY TESTIMONY - by Herbert Smith

Only a few months ago we had a film of "You Can't Win". It was then I came to know the Lord as my Saviour. As I sat in my seat in the church I could see that this was going to get me in a tangle. At the end of the film I felt that Satan had his grip on me so at the end of the meeting Mr. Milnes gave an opportunity for those who want to let Jesus come into their hearts. I thought I better take it or else I may never get another again.

So while the congregation sang a hymn I stood up and confessed my sins to the Lord. When Mr. Morgan talked to us in the back room and prayed we went home. But now I can say from the bottom of my heart that Jesus is my Lord and King. All through the 13 years I've lived in sin and darkness.

But it does make me sad to see our own people dying and living in sin. I know that God will hold us responsible for them who have died in sin. Now I'm going to call them and say that Jesus has died for them and curselves.

1 John 1:9.

SUNDAY SCHOOL ANNIVERSARY

Visitors: First of all we must let you know some of those who came home and joined in fellowship with us. It was just lovely to have Mr. and Mrs. Schenk home to share this happy season with us. With them came Mr. W. Hay, a friend of Roderick's over from the east. They will be leaving again shortly.

Other visitors were the greatly loved Keaney family from Leonora, with Mr. and Mrs. Collett and family. From Kalgoorlie, Marlene Craig, Joy Morrow and Estelle Sharpe; from Cosmo Newbery, Mrs. Lupton and Helen together with Jack Braeside, Allan Lovick, Mantle Amar, and Mr. Paul was here from Perth also.

Then among those of you whom we were so glad to see, were the Thomas, McIntyre, Forrest, Barton, O'Loughlin, Ashwin, Erle and Murray families, as well as the Johnstons and Brownleys who were here. We cannot mention too many by name because there is no room, but for the large number who gathered here, we are sure that all were glad they came.

Stings: Our guest speaker from Perth was Rev R. Bottomley. On Saturday we found out how well he could kick a football (used to play league in Perth) and on Sunday God used him to bring blessing to many of us present. Do you remember the story of the morning service about the apple which looked good on the outside but rotten inside. We hear that Preston James has been saying "How did the grub get into the apple? Don't tell me Mummy" then he answered himself "It was on the leaf first". Yes, that's right, just as our hearts, they are sinful to begin with. Sin is there when we are born. In the evening service, the message centred on the rich young ruler. The Lord

asked him to "Come, take up the cross and follow me" Mark 10:21. How many of us are willing to come but we do not want to take up the cross and follow! Thank God many of us counted the cost this Anniversary and are following the Lord.

Our girls' and boys' choir, under the direction of Mr. Morgan was again much enjoyed, as was the band under Miss M. Miller's baton. The Kindergarten were also led by Miss Miller and sang "Rolled Away" and "Can a little child" with second verse sung by Ernest and Renie Baker. Everyone was thrilled too with little Clarry singing "I'm not too young to come to Jesus"

The Senior boys beautifully rendered "The Love that carried the Cross" Miss Miller, Miss O'Donoghue and Miss I. Cable sang "The Scourging" which held a very challenging message. However, even with all those lovely items, the one which took everyone's fancy was "I have decided to follow Jesus - no turning back!" sung by the Junior boys in parts. Everyone is singing it, and it is our prayer that the Lord Himself will keep us true to those promises we made to Him at Anniversary time, and that we will not turn back from following Him. Let us hear in our testimony at Christmas time, how the Lord has helped you to keep the promise you made Him.

Do you want to know the secret?

Two things - Reading the Word of God and Prayer.

Films

These were enjoyed again. They included local movies as well as educational films. On the Saturday night, Mr. Paul showed us many coloured pictures of natives in the Kimberleys and the stations up there. As well, there were the two inspiring films especially hired for the occasion.

ocial: This was the scene of great enjoyment again. Mr. Bottomley introduced some new games - some of the competitors are not at all sure of what was going to happen next, especially in "Cavaliers" (ask the girls) Supper was served at the close and after Family Worship, everyone went home.

FLU EPIDEMIC

Since the happy time at the Anniversary, many of our children have contracted the flu which is going about. The Hospital was opened up and the Doctor from Leonora brought two nurses up to assist for a week. This nipped the epidemic in the bud and now most are well again. I really think they were having a great old time in the hospital while convalescing, judging by the singing coming from there. As we type this, three pupils, Reg Johnston, Tom Murray and Eric Thomas are down with flu, but have all passed the worst stage.

BIRTH

Mr. and Mrs. Wallace Blow - a son born August 29th at Leonora.

SYMPATHY: We extend our sympathy to Mr. and Mrs. Tom Murray on the loss of their little girl, Wendy, who went to be with the Lord. Mr. and Mrs. Murray and family are holidaying here for the present.

PERSONAL NOTES

Mr. Earle has sold his house to John Taylor and he has bought Jim Barnes' house. Jack Taylor has sold his house also. Tom Murray has a nice little ute which he purchased recently. We heard that Mrs. Jack Tucker came up to Werton last train on a visit to her mother. Her husband and Leslie have been away for a few weeks. Howard Thomas is on holidays from school.

Miss Franklin has been with us for a week when she will be returning to her home in Melbourne. Mr. Green (formerly of N. Mr. Norman Forrest brought a truck load of people from Laverton. They were here for a few hours and then made the trip back.

SCHOOL BUILDING With the new facing around the school and new improvements to the back room, the school will soon be completed. By Christmas time it should be looking nice, especially with Fred Carey's work on it day by day!

MY TESTIMONY by Muriel Brennan

It is now 7 years since I first came to know the Lord Jesus Christ as my personal Saviour.

At one evening meeting on a Testimony Meeting, an opportunity was given to those who would accept Christ to come into their hearts.

First I felt ashamed to stand up in front of a great crowd, because I thought I would be laughed at and the people wouldn't think much of me there, but I was certain that the Lord wanted my soul. My conscience was pricking me for a long while until a few minutes later I stood up and accepted Christ as my Saviour. Five years later I was baptised by one of our missionaries here at Mt. Margaret. I can say from my heart I feel much happier than I used to be before I was saved. Through those years I haven't been doing what I should have been, but I will still try and do my very best for Him because there is a Saviour I know who will forgive every sin and failure.

My text is found in Romans 1, verse 16. "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth."

.....
TRAGIC ACCIDENT AT BARDOC

We would all extend our very sincere sympathy to Mrs. Wolfenden in the death of her husband when the car overturned on their return from Cosmo Newbery. The party called through here on their way and we were stunned by the news. Mr. and Mrs. Wolfenden had been missionaries at Cundeelee. Others in the accident were Mr. Morrow, his daughter Avril, and son John, Misses Marlene Craig, Beris Cannon, and Beverley Lovick. Most are well now. Beverley, who you all know so well was badly injured, but is now out of hospital.
