BIRTHS

To Nellie & Bingie Lynch - a son (Keith Harold).
 To Pearl & Len Wells - a daughter.
 To Albert Newland and Shirley - a son.

WEDDING BELLS

On July 11th the marriage of Pat Manning to Richard Scott was celebrated in the Church. Pat, who looked very sweet in her white silk wedding gown, was attended by Edith Meredith who was dressed in a pink lace frock with blue net and pink flowers in her hair. The best man was Johnny Polak, and altogether the bridal party really looked very nice. Mr. Jackson gave the bride away and Mr. Nash officiated at the ceremony.

The sun came out to brighten the occasion as photos were being taken outside after the ceremony and they say that "Happy is the bride whom the sun shines on". But we know that happy is the couple on whom the light of the knowledge of Jesus Christ has shone, and we wish Pat and Richard God's rich blessing in their future days as the sunshine of His love floods their lives and as they unitedly endeavour to walk in the Christian way.

VISITORS

Mrs. Nash Snr. (Mother of our Superintendent) is at present staying at the Mission. Also spending a few weeks with their daughter Mrs. Shinkfield, are Mr. & Mrs. Westerman, together with Mr. Moppett who is an old friend of the family. Dr. Gibson, who is Principal of Perth Bible Institute, came through the Mission & spent the first week in July at Cosmo Newberry, together with the staff of Mt. Margaret - or as many as could get away at that time.

NEW MISSIONARIES

We are very glad to welcome to the staff Miss H. Southwell who has been working at the Bomaderry Homes in N.S.W. and also Miss J. Macdonald who comes to us from as far as New Zealand.

Mr. Sam Mollenhauer is now on the Mt. Margaret staff too, and we welcome him.

Time for the SUNDAY SCHOOL ANNIVERSARY is almost here!!

The Date: 12th August

The Speaker: Rev. Hensley White

Rev. White served the Lord for a number of years as a missionary in India, and now after a term of ministry at the Mt. Hawthorn Baptist Church he feels God is wanting him back in India again. He has been accepted by the Poona & Indian Village Mission for service, and plans to go out again in the near future, God willing. He will have a message well worth while for us all.

It will be good to see whoever can come home, and there's a welcome for one and all.

The Programme:

On Saturday night two films will be shown. "Decision" is a 50 min. color feature film which the story of the inner struggles and turmoil against God and a God-directed life, and this film is highly praised by Billy Graham, the Evangelist. The other is one of the Hour of Decision series of films featuring Dr. Billy Graham, and entitled "What's Your Excuse". The usual services will be held in the Church morning and evening, and in the afternoon the children will go to the camp to sing.

For Monday is planned an all-day picnic followed by a Social at night. Come, and join the fun and fellowship!

A REMINDER.....BIBLE SCHOOL begins on August 20th for a term of 12 weeks under the leadership of Mr. W. Douglas. This is your chance to learn more of God's Word.

ANZAC DAY

This year the Guides and Brownies in uniform joined in the march at Laverton, and they were a credit to the Mission. Matron Hurst led the Guides and Miss Miller, the Brownies. The service in the Hall was led by Mr. Shinkfield. Mr. Nash gave the message and the Mission band provided the music. It was altogether a happy day as once again we saw some of you to chat with. The R.S.L. served drinks and biscuits to all the children as well as providing morning tea for the adults.

THE NEW KITCHEN AND DINING ROOM is going ahead in leaps and bounds it seems. The walls are all up and as soon as the rain eases the roof will be put on, then the interior work can be begun.

VISITORS

Mr. & Mrs. Milnes Snr., and Miss Iris Milnes, parents and sister of Mr. Don Milnes, are at present spending a holiday at the Mission. Many of you met them in 1952 when they were here. It is a great pleasure to have them amongst us and we know they will have a good holiday and also, we trust a very blessed one.

Another visitor was Mr. [Name], Training instructor at Perth Boys' High School, who gave up his term holiday to come and help with the building and also to give help to Mr. Shinkfield in the Manual Training Centre. His assistance greatly appreciated as too was his willingness to speak at a number of meetings. His testimony was a remarkable one - you ask any of the boys who saw him wide-eyed at what they heard. We pray that God will bless Mr. Herberry in his work at P.B.H.S. and then as he finally goes to Derby where he will teach at the Technical School there.

RAIN has fallen - a good steady rain and the coal blowed too. Wonder when we'll see the first shoots of grass?

To Mathuwa & Musso - a daughter, at the Mission Hospital.
To Keelee & Robin Blizzard - a son " " " "
To Katie & Gordon Edwards - a son (Bevan Maxwell)
To Merle & Stanley Forrest - a daughter (Eric Clare)
To Mr. & Mrs. Cotterill - a son (Richard Murray)
To Mr. & Mrs. Blythe - a daughter (Jennifer Noelle)

These are the first birth notices in News Notes this year so the above births go back six months.

PERSONALITIES

Fred Carey is at the Mission working on the building with Mr. Wells.

A great opportunity has opened up for Bert Badger as he has gone to N.S.W. with his boss by road. This is the same trip that Ron Bonney had several years ago now.

Francis Murray and her three little girls spent a 1 day holiday at the Mission during shearing time at Glenorn.

Yinga has gone to work at Yundamindra for a few weeks.

Laurie Nelson is still in Leonora Hospital. Complications led to this prolonged stay.

Also in Leonora Hospital is little daughter of Roy & Dimple Sullivan.

We were very sorry to hear over the air some time ago now of the accident which occurred when Fanny Bildo fell down a mine shaft near Kalgoolie, injuring her back and making it necessary to go to Hospital there. We do hope each of these sick ones will soon be restored to full health and strength.

Young men who often frequent the Mission for weekends are Johnny Polak, Aubrey Lynch, and Charlie Winter.

It has been good to see others of our people come home on occasions. These include Tom & Francis Murray and family, Willie & Mona Burton, Esther & Rinja Wright, Nellie Lynch, Cyril Barnes, Arnold Harris, and then often on a Saturday afternoon we see Bert & Doris Thomas from Laverton.

BIBLE SCHOOL Seven students did the Bible Course at Mt. Margaret last year. You have heard what the said about it. Now there is a chance for you to en

joy 12 weeks studying God's Word. The Bible School this year at Mt. Margaret will begin on August the 20th and will finish on November the 9th. Send for an application form right away.

NEWS OF MISSIONARIES

Miss Allen, one of our U.A.M. missionaries from Gnowa erup, is at present spending a working holiday at Warburton Ranges.

Mr. & Mrs. Lupton are expected to return to Cosmo Newberry soon.

Mr. & Mrs. Morgan, Paul & Bruce - yes, and Bonny too, will be well in Derby by the time you receive this paper. They left Esperance on May 20th to spend a few days with Miss Gladys Vincent before travelling to Fremantle to board their ship which was several days late. We give thanks to God for restoring the health of Nash sufficiently for her to return to the Mission, thus enabling the family to be re-united once more.

MOTOR BIKES seem to be the latest mode of transport chosen by the young men these days. As the brrrrrrrr of an engine is heard approaching the Mission, we wonder Is it Eric? Could it be Albert? Perhaps it's Lindsay again, or Arthur Stokes, might even be Stanley on Brennan's bike. We've heard them all from time to time who'll be the next to own one. But Remember! - Motor bikes are the safest vehicle on the road - WHEN THEY ARE STATIONARY!

Words are moral money. Where are yours minted?

"Be strong in the Lord and in the power of His might". (Eph. 6:10)
A prayer: Uphold me in the doubtful race, Nor ever suffer to stray.
Strengthen my feet with steady pace, Still to press onward in Thy way.

ON HOLIDAY for a month have been the Wongutha boys from Esperance. It was good to welcome them home and to enjoy fellowship with them. Now for some hard work boys! Mr. Rod. Schenk spent a day or two at the Mission when he came to Leonora to collect a utility truck to take back for use on the farm.

--000--

PERSONALITIES

Frank Grey is the Mission's butcher for goat meat. No shortage of 'kuka' these days, thank to Frank.

Amy Brownley is glad to have company in the workrooms these days as Rachel Grey, Ethel Morrison and Jessie Evans sometimes join her. Rachel has been helping with the boys' mending while Jessie is learning to paint, and seems to have a natural gift too.

Ray McGrath spent several days at the Mission recently, together with son, Lance. Bobby Scott was disappointed that he had to leave his motor-bike in the bush on his way home for Anniversary. It blew a gasket, and he had been so much looking forward to showing it off at the Mission.

Recent car buyer is Morris Brownley who has bought a Chevrolet utility. Although it is an old model it looks in good nick and has a canvas cover for the back. Any day now you'll find Morris with his head under the bonnet caught up in the intricacies of motor mechanics.

1 John 1:9.

ANNIVERSARY ECHOES

Some good times of fun and fellowship were had by those who were able to come home for the Anniversary celebrations, and there was a really good crowd in. In between the organised programme, the tennis court seemed always occupied, or else a football was being kicked about by the young men near the store.

Saturday's rough and tumble at the football oval was captained by Eric Thomas and Herbert Smith, then a new game to many, volley ball, was tried out for the first time. It was played on one tennis court while tennis was played on the other. Folk weren't too tired after the sport to enjoy the social which ended with a nice supper and a short devotional period led by Rev. White.

We've heard the singing of Sunday several times since then, for Mr. Platt recorded it all on the tape, and the children really did put their heart and soul into it. The boys' special item this year was "Can He Count on You", and the Junior girls very brightly sang "Mine at Last" while, to commence the evening service the Senior girls rendered "Give Me One Soul Today". Each hymn had a real message, and the theme song for the day was "I Need Jesus". These words were suspended in colored lettering across the corner of the hall and this, with several large bowls of wildflowers placed around the platform and near the organ, made the hall look quite colorful. Fred Carey took a number of folk out in Malcolm MacDonald's truck to gather the flowers and greenery, and although they were hard to find and not nearly as pretty as they were at Anniversary time last year, yet they did brighten the hall. This time the services were held in the new dining room buildings.

We are grateful to Rev. White who came to us from Perth as the special speaker. He urged us to accept Jesus as our Saviour, for we all have the same need which is only met by the same remedy, the Lord Jesus Christ, who is the same Saviour to all. He is the only one who can make the bitter springs of our hearts sweet, and can give us new life and make us new creatures in Him. For "if a man be in Christ he is a new creature, old things are passed away, behold all things are become new." These are God's words, so you believe them and count on them and look to Him for strength to keep you free from the "old things" which would draw you away from Him. The picnic was held at the Claypan during Monday afternoon and at night the two feature films were shown. God met us in that film service and touched some of our hearts to bring us back to Himself. He was in the midst and He blessed us with His presence in a real way.

And now as you have returned to your several jobs, perhaps to face new testings and trials, remember that when the Lord putteth forth His sheep, He goeth before. So even before you reached your job He was there, and yet with you as you went, and still with you, to guide, comfort and to bless.

--000--

BIBLE SCHOOL commenced on August 20th when missionaries and students met together for the opening and Mr. Nash addressed the gathering. There are five students doing the twelve weeks course this year. We know there are others who would like to have joined in, but perhaps next year will be their opportunity.

--000--

THE NEW DINING ROOM is being used for church services now and it allows much more room for seating accommodation. We are still looking forward to the day when you shall have a place set apart solely for the worship of God. This can only be done as finance permits and the Church Building Fund now stands at £128-14/4.

An offering is taken up on the first Sunday of every month for this fund, so if you are not here just at that time but would like to contribute something as unto the Lord, keep it in mind and give it on the day you are able to come in.

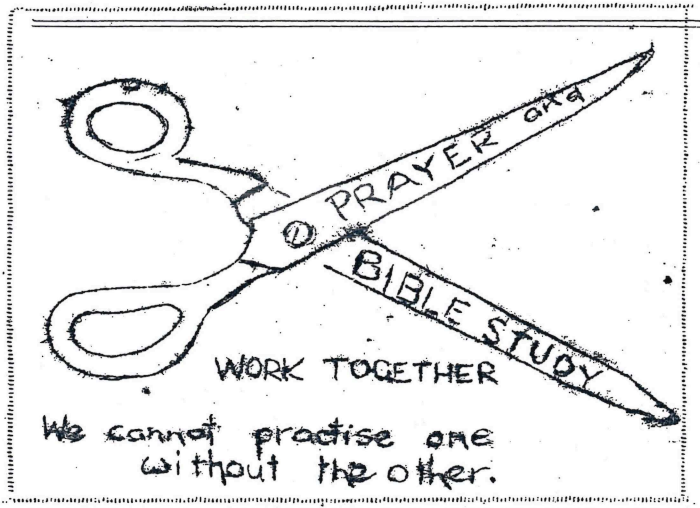

--000--

FAREWELLS were bade to the Wells family and the Douglas family as they set out for the Warburtons shortly after Anniversary time. Mr. Wells will be on the Warbo truck and Mr. Douglas will hold a Bible School. We wish each one God's rich blessing in all the days ahead.

Northern Goldfields District School Sports held at Gwalia.

Once again this year, although our children did not carry off the shield they put up a good fight for it, coming only $5\frac{1}{2}$ points behind the winning school which was Gwalia. The Mission scored $198\frac{1}{2}$ and Gwalia 204. Five of the children made a fine effort by winning trophies. They were as follows:

Rita Wilcox - Under 8 yrs. girls
 Albert Munro - Under 8 yrs. boys.
 Audrey Davidson - Under 10 yrs. girls
 Leo Mc Kay - Under 10 yrs. boys
 Elaine Grant - Under 14 yrs. girls.

It was quite an exciting day especially as we realised it was possible to be the winners, however the children did their best in a sporting manner and that is all that really counts.

There were many barrackers for the Wongi and it was half the pleasure of the day to be able to see and have a chat with so many of you.

Visitors

Last month Major Long and his assistant of the Salvation Army paid their yearly visit to the Mission, when a meeting was arranged to take the place of the usual C.E. & Fellowship meetings for the week. Everyone enjoyed a very happy time singing & learning a new chorus, listening to a message and testimony, and seeing slides of the North West. One was of Mr. & Mrs. Morgan, Paul and Bruce, at Derby, and didn't everyone give them a cheer!

Mr. Paull, Council member of the U.A.M., has spent a week at the Mission and we enjoyed his fellowship and messages. He bought the children a balloon each and what fun they had - then bang! It was all over. Some were lucky enough to get another.

Six members of the Youth for Christ Fellowship visited us on Sunday and took the morning service. They had been in Leonora on Saturday as I guess many of you know, we know God has blessed their witness and used it as an encouragement to us all.

New Matron for the Hospital

This month we bid farewell to Matron Hurst who has done such a splendid job in caring for the sick ones at the hospital for the past year and 9 months.

We will be sad to see her go but know that God has opened the way for her to serve at Gnowangerup and we pray that God will richly bless and use her in this new sphere.

But the hospital will not be without a Matron for we are looking forward to welcoming Sister H. Ingamells who will be at the Mission before you receive these Notes. Sister Ingamells comes to us from the Bomaderry Homes and she, like Matron Hurst is a triple certificated sister. We hope she will be very happy here.

--000--

On Furlough

Mr. & Mrs. Pickett will very shortly leave for Tasmania where they will spend several months furlough with their people.

--000--

Acknowledgment

Grateful acknowledgment is made of £1. received from Mr. & Mrs. Tom Murray towards News Notes expenses. This really is a tremendous help as just now the Y.P. are facing a bill of £7-7/- for the printing of another 1,500 sheets of News Notes paper. This is about one year's supply. Then there is the cost of stamps envelopes each month which has to be met by them.

--000--

Of Interest

Mr. Bert Thomas has invested in a Chrysler utility, and it looks good and strong too. They hope to be able to come in to the Mission more often for the Sunday services now that they have their own transport.

Let's Laugh

Boss: "Why did you leave your last job?"

New Man: "Because of illness."

Boss: "Illness?"

New Man: "Yes, Everybody in the place said they were sick of me."

Ye call Me Light, and see Me not,
Ye call Me Way, and take Me not,
Ye call Me Life, and desire Me not,
Ye call Me Wise, and follow Me not,
Ye call Me fair, and love Me not,
Ye call Me Rich, and ask Me not,
Ye call Me Eternal, and seek Me not,
Ye call Me Gracious, and trust Me not,
Ye call me Noble, and serve Me not,
Ye call Me Might and honour Me not.

If I condemn you,
Blame Me not!

A Personal Note!

Even though my typewriter is an old one, it works quite well, except for one of the keys. I wish many times that it worked perfectly. It is true that there are forty-six other keys that function well enough. But just one key makes a big difference.

You may say to yourself, "Well, I am only one! Nobody will miss me."

But it makes a difference if you are not at the services. If you have not been in Sunday services, things are not the same. There are other Christians who come to services, but you are missed if you do not come at all, or just once in a while. If you do not come to help with the singing, others will do their best - but you are needed.

If you think that you are only one person and will not be missed, remember my typewriter, and say to yourself, "I am a key person; the cause of Christ in the world needs me."

Wedding bells rang for Ruby Manning and Charlie Winter on Saturday 17th Nov. when they celebrated their marriage in the new dining room. The bride wore a white taffeta skirt with matching jacket of satin and was attended by Edith Meredith in a pink lace gown. Johnny Polak was best man. It was a very nice looking bridal party who faced a barrage of cameras after the ceremony. Later that evening a social was held when a car load came from Leonora to wish the bride and groom well, and the evening was closed with devotions led by Mr. Nash.

We wish Ruby and Charlie a future of the true joy and happiness which will be theirs as they unitedly live for God.

On the last trip in from Cosmo the cream Holden utility had a smash just outside the Mission gate. The front tie rod gave way and after a giddy run then a jump over a ditch it turned completely over, landing on its four wheels again. The driver, Mr. Alan Rees, and Mr. Lamzed who was with him, narrowly escaped serious harm, although Mr. Lamzed had to be sent on to Leonora with cuts on the head. We hear he is in a satisfactory condition. Mr. Rees returned to Cosmo with Mr. Lupton and Mr. Corv... erill who came to see the damage.

Also in Leonora hospital at present are Mr. Mollenbauer and Matron Ingamells. They have both been very sick but are improving. Matron Ingamells is suffering from hepatitis which means she will have to have a long time off duty. Meantime Miss MacDonald, who is also a trained nurse, is carrying on the medical work.

The children have all been given a second injection of polio vaccine and I'm sure they are looking forward to the third as the doctors are so kind and the sweets so nice which each child receives after the injection.

"And our eyes at last shall see Him
Through His own redeeming love,
For that Child so dear and gentle
Is our Lord in heaven above;

DEATH

The mother of Ernie, Buddy, Doris and Stuart Shaw passed away last month at Kalgoorlie and we extend out loving sympathy to them and to Hunter.

ENGAGED TO BE MARRIED

The engagement has been announced of Matron ~~Hunter~~ now of Gnowangerup, to Mr. Ray Arnold of Cosmo Newbery, and we wish them God's rich blessing as they plan for the future.

TO BE MARRIED

On Saturday, March 30th the marriage of Matron Ingamells to Mr. S. Mollenhauer will be celebrated at the Mission. It has been good to see them both back from their long absence due to illness, and on the job again.

GONE TO WONGUTHA

Buddy Shaw has joined the ranks of the Wongutha Training Farm and Ernie Shaw and Stan Elliott are boarding there but attending Esperance High School.

It was a pleasure to see Herbert Smith & Alastair with others from Wongutha, here for a week's holiday. We were all very happy to welcome Mr. & Mrs. Miller & family and Mr. R. Schenk who were looking after the Wongutha boys.

AT ALVAN HOUSE

Beth Smith & Mollie Cameron are boarding at Alvan House this year and from there they will attend Perth girls High School. God bless you both Beth & Mollie and keep you true to Him.

THERE'S NO PLACE LIKE HOME for Kathie McKenzie who is back at Mt. Margaret after three years at Roelands.

Meetings

Those meetings and gatherings which taught the individual something more about the Christian life and of God's Word will ever remain with us. Those who attended D.V.B.S. seeking to know more of God & His Word must have gone away with a blessing, for does not God say "seek and ye shall find"?

The films also contributed to the enjoyment of the deeper things of the week as too did the Carol Service and the Testimony Meeting. What a grand time that latter meeting proved to be as one after another testified to their love and thankfulness to God for salvation, and to experiences and guidance received from God. This meeting was a challenge to many and stirred others to seek to walk closer to their Lord. And that will be the effect of your life as it is a living testimony before others. They will see your good works, your keen love for the Lord and your desire to do only those things that please Him, and will be stirred up themselves to desire something better in their own experience. They will be convicted of the wrong in their own lives and your witness will bring another to Him.

The Y.P.C.E. Wind-up

took the form of a treasure hunt during the afternoon concluding with camp fire tea and meeting several miles out. And the Fellowship's last meeting for the year was held on the lawn of Mr. Shinkfield's place where slides were shown, from the early days of the Mission up to present day. Records were amplified and a tape recording of a meeting in the Melbourne Town Hall played over. Mr. Platt helped with the technical side of things which contributed to a happy time of fellowship for all.

Sports Day

Keen interest and competition held throughout the afternoon of Sports Day as prizes were keenly contested for, and the coveted Sgt. Anderson Belt was finally presented to Ernie Shaw - his third success. Runners up for the Belt were Peter Holland and Bobby Scott.

Loomie Nelson made a new shot putt record of 41 feet 11 inches - a fine effort.

~~The~~ Hop Step & Jump Record of 32 feet 11 ins. made last year by Maisie Graham, still stands unbroken.

A very enjoyable and appreciated feature of Sports Day was the playing of recordings through the amplifier by Mr. Platt in between races and announcements. It created a very happy atmosphere throughout and finally the Gospel Recordings were listened to with great interest as Gospel messages were presented in the "talk" of Warburton Ranges, Mt. Margaret & Cundeelee areas. Quite a number enjoyed the sound of their own voices going over the amplifier too.

At the close of the day many parents took over the charge of their children for the school holidays and in the days following was the general exodus of staff and children as they made their way to various destinations.

Another year passed, a new one begun, the happiness and true joy of which depends entirely on a right relationship to God and a willingness to trust and obey Him above all else.

DEATHS

Our hearts have been saddened since the weekend when two little lives went to be with the Lord. The burials were conducted at the Mission cemetery.

One of the babies of the Home, little Pearl Davidson, had been in the Mission hospital for a week suffering from enteritis. She recovered sufficiently to return to the Home but suddenly took a turn for the worse, and after a rush trip to Leonora with her, she passed away in the early hours of Saturday morning. Then late on Saturday night Pat and Richard's little month old son passed away at the Mission following a period of sickness, even though everything possible was done to help him recover.

Our loving sympathy goes out to Pat and Richard in their sorrow, and to Mr. & Mrs. Jackson to whom little Pearl was as dear as if their own, also to Claude and Tjatjanu, and brothers and sisters of Pearl. These two little ones are now "safe in the arms of Jesus."

.....

SICKNESS

has come amongst the children as flu is raging just now. The hospital is full to overflowing though most of the patients look very bright. Dr. McCallum has already paid them a visit.

We've been keeping Dr. McCallum and Matron Corner very busy with patients at Leonora too, as several have had to go there for attention. First Kathie McKenzie had to have her tonsils removed. She had to go on to Kalgoorlie because her throat was bleeding after the operation, but she is on the mend now. Then Miss Muriel Brennan was rushed off on Saturday night with suspected appendicitis however she is home again plus her appendix.

On Sunday Walter McLean had to be taken with the shink-fields as he was very sick with pneumonia, but he too is on the mend.

.....

EASTER WEEKEND

This was a very quiet but happy time at the Mission as once again our thoughts were centered around the death and rising again of our Lord.

It was nice to see Jack and Goongie Williams here for Good Friday's morning service and then quite a number who came to see the films that night. The Volley Ball on Saturday followed by the social, was enjoyed by the Home children and visitors, and then Monday found everybody at Golden Cliff for the picnic. Mr. & Mrs. Smythe and family from Boulder were visitors for the weekend and then Mr. & Mrs. Lovick and family came in for the social when Beverley cut her birthday cake at supper time.

In contrast, Leonora was buzzing with the presence of those who had gathered there because the races were on. There were a faithful few who kept away and we believe that by doing so it was their desire to "abstain from every appearance of evil". God's promise to them is in the bible verse that says, "for them that honour Me, I will honour".

RAILWAY LINE CLOSING DOWN

There have been many deputations and petitions to the Government, made in an endeavour to keep the railway open from Malcolm to Laverton, but without success, and as from June 29th that section of the line will be closed.

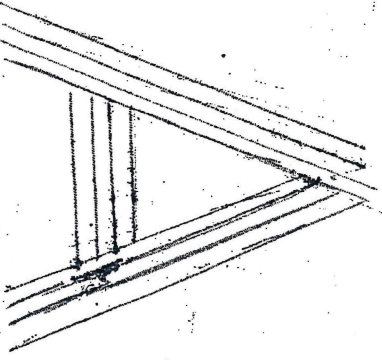

The superintendent Mr. Nash, and other missionaries as well as some of the men listened to the members of parliament when they attended a meeting at Laverton recently to hear the reasons set down by the Government for closing the line. The main reason is that they say it costs too much to run the diesel in these parts of the outback where it serves so few people. A sure way to open the line again would be to find a worthwhile nugget or seam of gold in the Laverton area. Might even have two trains a week then!

"There are three ways to look. If you want to be wretched, look within; if you wish to be distracted, look around; but if you would have peace, look up".

OUT AMONG THE PEOPLE

Miss Bertha Thomas has spent two weeks in Perth with Mr. & Mrs. Gavin Green and family.

Matron Corner has resumed duty at Leonora Hospital after several weeks holiday when she travelled by ship to Sydney and back.

David Greenwood has gone to Cosmo Newbery to begin a course of farm training.

We wish Kathie McKenzie well as she goes back to school, this time to Kalgoorlie High where she wants to reach a sufficient standard of education to permit her to do a course at a Kindergarten Training College.

Maisie Graham hopes soon to go to Victoria where she plans to do her nursing training at Bethesda Hospital. This is where Matron Corner trained also.

In Leonora Hospital just now is Henry Patterson who had an accident while loading railway sleepers. One slipped and jammed his little finger and it took a number of stitches to put it together again. Henry said it might have to be taken off, but we hope not. Cyril Barnes has left Glenorn and has begun work at Melita. He will be company for Aubrey Lynch who has been working there by himself since Leslie Brown left.

Mr. & Mrs. Willie Burton are also going to Melita, so there will be quite a happy band there. Mr. Burton has bought a Chev. six utility recently too.

Another recent car buyer is Mr. Steve Earle who has invested in a "run-about". Stanley Evans drove it to the Mission for him from Leonora, but now we hear the Steve has learned to drive it himself.

All the musterers from Glenorn and Red Knob have finished shearing and it is good to see them around the Mission again.

A team of men have gone to Yundamindra to work for several weeks, without their womenfolk. Barney Morrison was to be the cook so we believe. Guess they'll all soon wish they had taken their wives!

Fred Carey is working at Minara as too are John and Daisy Grey.

Miss Isobel Cable became Mrs. Peter Brand last month and we wish for her and her husband a future of united happiness.

Mr. & Mrs. Stanley Forrest are out Kookynie way, where Stanley is working on a station.

.....
OF INTEREST

Little Florence Cable who had only been in the Home for a few weeks has been sent to Perth and admitted to the Princess Margaret Hospital for Children in the hope that something may be able to be done to make her able to hear. She was first taken to Leonora Hospital and then sent on to Perth from there.

We have to thank God for the appointment of a Christian man, Mr. Moorhouse, to the position of Native Welfare Officer for the Warburton Ranges area. Mr. Moorhouse has been out to the Ranges recently to have a look around, and later in the year he will return with some of his family to take up a permanent position there.

The news came through several weeks ago now of a fire which completely destroyed the home and belongings of Mr. & Mrs. Wade at Warburton Ranges. These veteran and well loved missionaries have faced the loss of everything with a wonderful faith that believes that the Lord giveth and the Lord taketh away. The fire was caused by an electrical short in the wires.

Many of you have been asking and wondering when Mr. Platt will be returning. He plans to be married in Victoria on June 29th and then travel overland by car and caravan with his wife, when he will complete the buildings he began last year.

.....
PRELIMINARY NOTICES

The SUNDAY SCHOOL ANNIVERSARY is planned to be held here on August 18th. We hope many of you will be able to arrange to come home to join in the celebrations. Then BIBLE SCHOOL has been arranged to commence on August 26th.

I NEVER THOUGHT

I never thought the day would come
 When I'd relax my hold
 On things to which I'd clung
 As misers cling to gold.

I never thought the day would come
 When I would say, that prayer
 Is but a waste of idle words
 On one who isn't there.

I never thought the day would come
 When hymns I loved to sing
 Would be remembered well enough,
 But wouldn't mean a thing.

I never thought the day would come
 When I'd regard the folk
 Who talk of life beyond the grave,
 As something of a joke.

I never thought the day would come
 When I'd forget my vow;
 And tell the parson when he calls,
 "I never worship now."

I never thought the day would come
 When Christ, the Friend Divine,
 Would seem no more than outworn creed
 And no concern of mine.

When I reflect what all this means -
 What sin and pride have cost;
 I cry from out a broken heart -
 "Give back what I have lost! "

In sympathy

Our real sympathy goes out to Teddy McGrath and his wife in the loss of their little $3\frac{1}{2}$ months old baby, who passed away in Leonora hospital last week.

Injections

The last of the three polio "needles" was given at the Mission recently. That means that all the children are protected against the dreaded poliomyelitis disease.

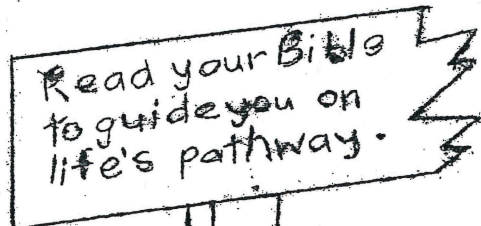

Thankyou!

A very sincere thankyou to Mrs. Forrest for her donation towards News Notes expenses. The Y.P.C.E. gratefully acknowledge that gift of 12/6d. Because of the high cost of each issue of this paper, it can only be sent out every two months instead of every month.

Welcome

Mr. Platt arrived back from Melbourne, bringing Mrs. Platt with him. They travelled overland by car and caravan, and now we look forward to seeing the buildings going ahead towards completion.

We do welcome them both and trust that they will be very happy here at Mt. Margaret.

and we extend our loving sympathy to her loved ones.

Mr. Roberts, brought a message from God and His Word to us, vividly illustrated from his own experiences in Africa, which caused many to turn to the Lord as Saviour and in re-consecration. We do thank God for bringing Mr. Francis to us when he had such a heavy deputation programme to keep up.

.....

Bible School is in full swing with 9 students doing the course. Mr. Green brought two young men in from Warburtons, and the other students include Brian from Cosmo, Johnny Polak, and the four girls, June, Thelma Miller, Maureen Walker and Edith Meredith. Then there is Everard from Warbos too. We know that during this time God will bless them, and that as they seek to know more of God's Word, they shall find, and shall "behold wondrous things out of God's Law".

Transport Problems Solved.

On a recent Sunday afternoon everyone gathered near the garage after S.S. for a brief service to dedicate the new Mission truck to the service of God.

Mr. Nash had gone to Perth for the Annual Meetings of the U.A.M. and was able to drive the truck back. It is a beautiful cream 5 ton Chevrolet and it was so necessary with longer distances to transport goods.

One of the happiest men there was Mr. Jackson whose privilege it will be to drive the truck. After recent years of battling with the green truck which has been used for all the heavy work since it first arrived at the Mission some 20 years ago, it will be a real pleasure for Mr. Jackson to sit at the wheel.

The children too are now really looking forward to their ride to the Leonora Sports.

ANNIVERSARY CELEBRATIONS

The week-end proved a very happy and blessed time of fellowship.

On Saturday afternoon Volley Ball soon gave place to Tennis and Football and most were then found up at the football oval where Bobby Scott and Tommy Simpson captained the teams. Bobby's team won on Saturday, but to make things square, Tommy's team won the game at the picnic on Monday afternoon.

On Saturday night "The Cheat" proved a very telling film on how cheating just doesn't pay, and once again Billy Graham, assisted by his team, presented a very challenging message, Mr. Francis also showed some interesting slides of his work amongst the people of the Gold Coast, West Africa.

The children's singing on Sunday in the services and at camp was enjoyed by all and the message of the hymns challenged us as to whether we were ready to meet the Lord; for "at the name of Jesus every knee shall bow" - as was printed in small lettering under the large banner with the question "Are you ready?" in bold lettering.

The Lord drew very near as those who loved Him gathered round His table for communion following the morning service, and Mr. Schenk centered our thoughts on Christ's sufferings for us at Calvary. The years rolled back as Mr. Schenk and Mr. Jackson sat together to share in the leading of this service which moved many hearts in the remembrance of days gone by.

Many put things right with God on Sunday night, and some accepted Christ as Saviour which was a real cause for praise.

The picnic on Monday afternoon at a claypan towards Mt. Margaret, was spent Softballing, Footballing, Chinese Dodgeballing and walking, then tea and returning in time for the Social which was M.C.'d by Mr. Schenk and brought to a close as Mr. Schenk led a brief time of devotions.

On Tuesday night at the Fellowship Meeting we were privileged to have Mr. & Mrs. Schenk as the speakers when Shinkfield's front room was filled to capacity.

We look back now on these happenings with thankfulness to God for permitting it to us all.

"Christ has no hands but our hands
 To do His work today;
 He has no feet but our feet
 To lead men in His way;
 He has no tongues but our tongues
 To tell men how He died;
 He has no help but our help
 To bring them to His side.

We are the only Bible,
 The careless world will read;
 We are the sinner's gospel,
 We are the scoffer's creed;
 We are the Lord's last message
 Given in deed and word -
 What if the line is crooked?
 * What if the type is blurred?

What if our hands are busy
 With other work than His?
 What if our feet are walking
 Where sin's allurements is?
 What if our tongues are speaking
 Of things His life would spurn?
 How can we hope to help Him
 Unless from Him we learn?"

While Mrs. Milnes is in Kalgoorlie hospital, Mrs. Milnes Snr. has come to look after Peter, Winsome and Grace - and Mr. Milnes of course. Mrs. Milnes Snr. flew all the way over and Mr. Milnes went to meet her at Leonora.

.....

You all well remember our past Matron, Sister A. Hurst and will be interested to know that she is to be married to Mr. R. Arnold in Melbourne on October 19th. We all wish them God's rich blessing and a future of united happiness as they will be working at Gnowangerup.

Mr. Lamzed has had to return to Perth from Cosmo Newberry; the doctor has said that in future he must be close to medical aid.

We hear that Mr. Morris Brownley has bought another utility. Perhaps that is what was in their minds when Mr. & Mrs. Brownley went off suddenly for a holiday with their family last month.

Real service is what I would do;

I'll say what you want me to say, dear Lord,

But don't ask me to stand with the few!

I'll do what you want me to do, dear Lord,

I yearn for the kingdom to thrive,

I'll give you some silver and coppers, dear Lord,

But please don't ask me to tithe!

I'll go where you want me to go, dear Lord,

I'll say what you want me to say;

I'm busy just now with myself, dear Lord,

I'll help you some other day!

We are looking forward to seeing as many as possible at the meetings. The children have been practising for many weeks now under the leadership of Mr. Milnes and it will be a great encouragement to them to see the hall full as well as being a means of fellowship and blessing to each one of you.

An Indian once came to a missionary saying he had been making up some poetry. It was found to be several verses, each exactly like the first. Every verse reads

"Go on, go on, go on, go on,
Go on, go on, go on,
Go on, go on, go on, go on,
Go on, go on, go on.

It is an excellent motto for a Christian.

Bible school will commence on August 26th for twelve weeks, and will be under the leadership of Mr. Mollenhauer. Lectures will be held each afternoon, giving the students opportunity to work in the mornings to provide their living expenses.

Out Among the people

Our wishes for God's blessing go out to Miss Kathie Barnes as her engagement to Mr. Clarry Watts of Kalgoorlie was recently announced.

Recent car buyers are Malcolm Mc Donald and Mr. Barney Morrison. Malcolm has invested in a 1935 chev. sedan and Barney has a 1927 Buick utility.

While spending a few weeks at the Mission, Lindsay Mc Intyre, Alan Evans and Malcolm Mc Donald cleaned out the reservoir ready for when the rain comes.

Malcolm Mc Donald has returned to Ida valley station Lindsay Mc Intyre is working with his father, and is able to come in for the Y.P.C.E. meetings with Eric Thomas each Tuesday night.

Barney Morrison and Johnson Winning have gone to work at Erlston station

Fred Carey still works on at Minara station, Stanley Evans has been at the Mission for quite a few weeks but has now gone to Mt. Vettters station.

Visitors

A working visitor Mr. H. Neville is spending some weeks prior to his marriage on October 19th, helping Mr. Platt on the buildings, and so gaining experience to help him when he goes out very soon as a missionary to Ethiopia with the Sudan Interior Mission.

Major Long and his assistants of the Salvation Army paid their yearly visit last Tuesday night when everyone gathered for a combined C.E. & Fellowship meeting in the hall and God met a number of our young people in a special way.

It was a real joy to our native people and staff alike when Mr. & Mrs. Schenk came to spend Anniversary weekend at the Mission. Many of the Wongi cried for joy as they were remembered and greeted by name by Mr. & Mrs. Schenk, and we know that there is deep love and gratitude in the hearts of all as they recall the labour of love by these servants of God over their many years at St. Margaret.

Other visitors for Anniversary weekend included so many of our people that we couldn't try to mention you all by name. It was so good to see each one and specially worth while as so many came into a place of real blessing in the Lord. We pray that each one may stand fast in Him and shall be strong in the Lord and the power of His might to resist the devil.

Patron Corner and two nurses were able to come for the Sunday services and we were very happy to see her again.

Then there were those who came in from Cosmo, and also our loved Leonora friends Mr. & Mrs. Leaney and Gordon, and Mrs. Leaney's mother, Mrs. Smith.

Mr. G. Francis, who came as guest speaker with his friend

Special
Notice!

Do you enjoy receiving these Notes? The Y.P. Endeavourers enjoy sending them out at their monthly "News Notes" meeting.

But there is more to it than just sending them out. Postage has to be paid, envelopes have to be bought and paper and stencils purchased so that they can be duplicated. This means that each time News Notes goes out it costs the endeavourers as follows:

stamps	£1.15/-
Envelopes	5/-
stencils	3/-
paper	12/-
Total	<u>£2.15/-</u>

This is a big sum to pay every month and besides this they pay for food which they take to the camp people every Thursday when they have a meeting with them. If you really appreciate News Notes show your appreciation by sending a donation or handing in a two shilling piece or a ten shilling note the next time you are in. Mr. Jackson or Miss Macdonald will be glad to receive your gift as they are in charge of the Y.P.C.E. this year.

BACK FROM HOLIDAYS

Children and Staff are into routine again after the vacation period.

Mr. & Mrs. Jackson & the girls arrived a fortnight before school started after a lovely holiday at Esperance. The trip there & back in the green truck is best forgotten as there were quite a lot of breakdowns etc., but the holiday outweighed all the discomfort of the trip.

Mr. & Mrs. Nash & family spent their holiday in Perth and so did Miss Miller. It was a disappointment that Miss Miller spent 3 weeks in Perth Hosp. after an operation for appendix, for she had planned to go to Derby with sister Sadie Corner to see Mr.

Mrs. Morgan, but of course was unable to do so. Mr. & Mrs. Shinkfield spent their time in Victoria & Adelaide. While in Adelaide they saw Miss Amy O'Donoghue who is doing an Infant Teachers Course at the Teachers' Training College, Adelaide. She will then be qualified to teach Infants like Miss Miller is doing.

ITINERANT TRIPS

Mr. & Mrs. Nash have commenced their fortnightly visits to Laverton for Sunday School, camp meeting and evening service, and Mr. & Mrs. Shinkfield, to Leonora. The new Mission Volkswagen which Mr. Nash brought back with him from Perth, will be used for these trips. It is the same to look at, colour as well, as the Cosmo vehicle.

GRAHAM HOMES

Five new children have been admitted into the Homes this year - Georgie Davidson, Jeffrey Bond, Veronica Walker, June Smith and Florence Gable, and they are already very happy in their new surroundings. Two children are not yet back, Thomas Newberry has gone to Warburtons and the two senior boys Stan & Buddy are a Esperance.

PERSONALITIES

Frances Murray and the children are living at the Mission so that Norma and Judy can go to School here. Barney Morrison has been here for a week from Bardoc. Others who are in just now include Frank & Rachel Gre (Douglas is going the Mission School), Morris & Amy Brownley, Ethel Morrison and Katie Edwards. Also at the Mission are Peter & Sarah Meredith, and Prince and Yinga.

Thelma Miller is now living with her sister Miss May Miller.

We do not know what the future may hold, but we know who holds the future.

Dinah Burton is still in Leonora Hospital. Tommy Simpson has gone to Cundeelee to see his sick mother then has ideas of working on the Trans Line. Johnny Polak is working at Minara, and Reg. & Jean Johnston are at Cashmere Downs.

OF INTEREST

While Sister Sadie Corner is on holidays, enjoying a sea trip to Brisbane and back, Sister Beverley Lovick is relieving her at Leonora Hospital as Matron.

Most of you know that for quite some months now Muriel Brennan has been looking after eleven of the smallest boys, who are separately housed in what used to be Hallel, the Warburton house. This was face lifted last year by Mr. Platt, when two rooms were built on to either side of the front of the house as dormitories, and during the holidays Miss Southwell, who lives there too, whitewashed the whole of the house which has made it a very bright spot.

Many of you know Mrs. Crowley of Laverton, better known as Matron Crowley. She is still in Leonora hospital, but when she is discharged she will live at Mt. Ida.

CHRISTMAS WEEK 1956

This is all just a memory now, but what a happy one as we recall all that took place during that time, a time which culminated in that lovely ceremony of baptism on New Year's Day as six young men made confession of their faith in this way. What a fitting and sacred climax to the week of happy fellowship, and what a wonderful way to begin the New Year. May God continue to bless and keep each one who passed through the waters, and make them steadfast and unmoveable in their love for Him.

It was just grand to see so many of you here for the Christmas season, and some who had not been back for a long time. We shall keep on praying that God will help you to keep shining for Him and that your

NEWS OF MISSIONARIES

Miss Allen, one of our U.A.M. missionaries from Gnowa erup, is at present spending a working holiday at Warburton Ranges.

Mr. & Mrs. Lupton are expected to return to Cosmo Newberry soon.

Mr. & Mrs. Morgan, Paul & Bruce - yes, and Bonny too, will be well in Derby by the time you receive this paper. They left Esperance on May 20th to spend a few days with Miss Gladys Vincent before travelling to Fremantle to board their ship which was several days late. We give thanks to God for restoring the health of Nash sufficiently for her to return to the Mission, thus enabling the family to be re-united once more.

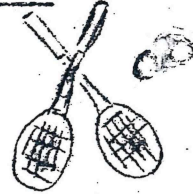

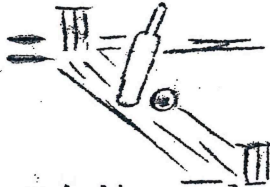

MOTOR BIKES seem to be the latest mode of transport chosen by the young men these days. As the brrrrrrrr of an engine is heard approaching the Mission, we wonder Is it Eric? Could it be Albert? Perhaps it's Linds again, or Arthur Stokes, might even be Stanley on Brennan's bike. We've heard them all from time to time who'll be the next to own one. But Remember! - Motor bikes are the safest vehicle on the road - WHEN THEY ARE STATIONARY!

Words are moral money. Where are yours minted?

love for Him will increase as the days go by. Just remember to have that "quiet time to wait upon the Lord, a quiet time to meditate and pray", about which Bev. Shea so beautifully sings and which is the only way to keep yourself in touch with God.

Sport

It wasn't too hot for the menfolk to enjoy a couple of games of football, though they had a good thirst up when it was all over. Cricket and tennis drew quite some interest, but this year tennis was in the form of team competition without the prize going to the individual.

This was good in encouraging a team spirit as also was the volley Ball.

School Exhibition and Concert

These drew good crowds as proud parents and others viewed their children's school work for the year. Always of special interest is the girls sewing and this year's special feature was a number of pretty dolls each named and individually dressed by the junior girls.

The well varied programme of the concert kept us all interested and amused as it took place on the verandah of the Boys' Home. It was concluded in the usual way with presentation of prizes to those who topped their class. Dux of School was Stan Elliott who should do well at High School.

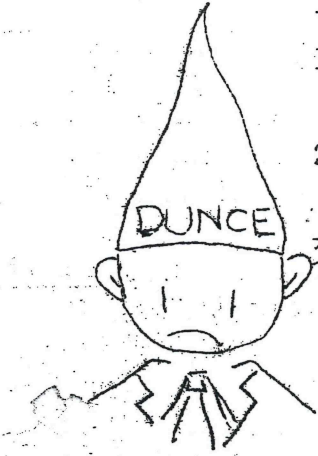

Picnic

was held at the favourite spot, Cement Creek, where there was plenty of water for swimming. The men enjoyed their game of football and the girls played soft Ball, and all voted it a good day.

Social

was M.C'd by Mr. Jackson when games old and new were entered into wholeheartedly by all. It was good to have Amy Brownley and Joy Earle officiating at the accordian.

LAWRENCE OF ARABIA

A party of Arabs, one day in 1915, rode their camels across the desert. They were led by Colonel Lawrence - Lawrence of Arabia. The wind was as hot as the draught from the mouth of a furnace - the sand cut their faces - the glaring sun had made their eyes red and half blind and yet they struggled on.

JASMIN'S CAMEL

Suddenly someone said, "Where is Jasmin?" and another asked, "Who is Jasmin?" A third man answered, "He is that yellow-faced man from Maan. He killed a tax-collector and fled out here to the desert to hide."

The first said, "Look, there is Jasmin's camel, his rifle is strapped to the saddle, but he himself is nowhere to be seen." Another said, "Perhaps someone has shot him on the march - or maybe he fainted and fell from his camel." Then the first said, "Anyway what does it matter? He wasn't worth half-a-crown."

They drew their hoods up over their heads and rode on. But Lawrence turned his camel back. He took out his compass and rode into the blazing desert heat alone. For an hour and half he rode. Ahead he saw Jasmin and mad with heat and thirst. Lawrence gave him water and lifted him on his own camel and slowly plodded through the sand to join the others. The Arabs looked up and were astonished - not so much that Jasmin was saved but that their leader would risk his own life to save one whom they considered wasn't worth half-a-crown.

Jesus loved us so much, He came to earth to be our Saviour and friend. Like Lawrence in the story above, He loves even the bad people - those not worth half-a-crown. We should witness for Him, tell others about Him and show them by the way we live that we belong to Him.

SYMPATHY

Our hearts joined in sympathy with John and Daisy and family, when their younger son passed away gently last month at Leonora Hospital, and our sincere sympathy goes out to Natalie and Arthur Stokes, in the loss of their baby daughter at Kalgoorlie Hospital.

We pray that each of the parents may know the comfort of the Lord as they realize that their child is "safe in the arms of Jesus".

MEMBERS THIS YEAR

All who attended the Northern Goldfields District Pool Sports at Leonora were proud of the fine performance of our children as they gained points to bring the position to top place this year. That means we brought home the Pennant, the Shield and cups won by the Champions.
